

HANES LLANDOCH

Prosiect SEER Project

(Social Enterprise & Economic Regeneration)

SEER Aims & Objectives:

To support specific, innovative & entrepreneurial activities by local groups in and around the village of St Dogmaels.

Hanes Llandoch have identified the activities as suitable for support and will encourage the community to identify projects themselves.

The SEER project is managed through the existing Coach House Centre under the guidance of Hanes Llandoch.

By providing training, the project will aim to provide fertile ground for future economic growth and regeneration in the village and surrounding region.

Hanes Llandoch is based at the Coach House St Dogmaels and lies between the Abbey and Mill Pond. It is truly a magnificent centre. The SEER project is managed by Hanes Llandoch.

There are two parts to the SEER project:

- Enterprise
- Training

and here are some of the activities and people the project has already supported:

Our new & recent Easter craft & produce fayre gave Adrian, Gareth, Sarah & Steven an ideal platform to display their creations
